

Fundraiser information:

Effective 8/18/25

Thank you for considering The Apple Chick for your fundraiser. Attached is a sample fundraiser flyer. You may print out and use this flyer as it is, or you can choose to use one of the other sample flyers found on my website. All of our apples are \$7 each **(for fundraisers only)**. You are free to charge any amount you'd like, but not less than \$12.-- per apple. **Please note** that I will no longer accept fundraiser orders from organizations that charge less than \$12 per apple.

You will need to schedule a "turn in" date with me so that I can have those days reserved for your orders. Your turn in date is the date you contact me with your order totals, not the date you stop selling. Please allow yourself plenty of time to collect and total the order sheets. Sometimes this process can take several days so please plan accordingly. Once I have your order totals, my turn around time is usually approximately 2-3 weeks.

After I begin working on your orders I will contact you and schedule a pick-up date with you for you to come pick up your apples. Payment is due at the time of pick-up. Please make sure you have enough vehicle space to accommodate the apples. Larger orders usually require several vehicles at pick up. **It is your responsibility to count your apples before you leave with them.** I am happy to make any apples that were ordered wrong or somehow didn't get to the right person, but I can no longer provide them for free.

Please note that all apples MUST be paid before they can be picked up, no exception!

Please let me know if you have any questions. Thank you again!!
